CERTIFIED PUBLIC ACCOUNTANT

INDEPENDENT AUDITOR'S REPORT

To the Partners
Braymen, Lambert and Noel Securities, Ltd.

We have audited the accompanying statement of financial condition of Braymen, Lambert and Noel Securities, Ltd. as of December 31, 2010, and the related statements of income, changes in partners' capital, changes in liabilities subordinated to the claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Braymen, Lambert and Noel Securities, Ltd. as of December 31, 2010, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements
December 31, 2010

Note 1 - Nature of Business and Summary of Significant Accounting Policies

Nature of Business:

Braymen, Lambert and Noel Securities, Ltd. (the Partnership), a Texas limited partnership, was formed in December 2002. The Partnership is a broker/dealer in securities registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Partnership's customers are primarily institutions and high wealth individuals located in Texas.

The Partnership operates pursuant to section (k)(2)(ii) exemptive provisions of Rule 15c3-3 of the Securities Exchange Act of 1934, and accordingly, is exempt from the remaining provisions of that Rule. The Partnership does not hold customer funds or securities, but as an introducing broker or dealer, will clear all transactions on behalf of customers on a fully disclosed basis through a clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker/dealer. Under these exemptive provisions, the Computation for Determination of Reserve Requirements and Information Relating to the Possession and Control Requirements are not required.

The general partner of the Partnership is BLN Management, LLC (General Partner). The General Partner has the authority to manage and control the business affairs of the Partnership.

The Partnership terminates on December 31, 2052, unless sooner terminated or extended as provided in the partnership agreement.

Significant Accounting Policies:

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of the assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

Cash, commissions receivable and payables are short-term in nature and accordingly are reported in the statement of financial condition at fair value or carrying amounts that approximate fair value. Marketable debt securities are held for investment purposes and are recorded at fair value in accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*.

BRAYMEN, LAMBERT AND NOEL SECURITIES, LTD.
Notes to Financial Statements
December 31, 2010

Note 1 - Nature of Business and Summary of Significant Accounting Policies (continued)

Marketable Debt Securities

Marketable debt securities are held for trading purposes and are recorded at fair value in accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*. The increase or decrease in fair value is credited or charged to operations.

Security Transactions

Security transactions and related commission revenue and expense are recorded on a trade date basis.

Income Taxes

The Partnership has adopted financial reporting rules regarding recognition and measurement of tax positions taken or expected to be taken on a tax return. The Partnership has reviewed all open tax years and concluded that there is no impact on the Partnership's financial statements and no tax liability resulting from unrecognized tax benefits relating to uncertain income tax positions taken or expected to be taken on a tax return. As of December 31, 2010, open Federal tax years include the tax years ended December 31, 2007 through December 31, 2009.

The Partnership files income tax returns in the U.S. federal and state of Texas jurisdictions. The Partnership is subject to U.S. federal or state tax examinations by tax authorities for years all years since its inception. Taxable income or loss of the Partnership is included in the income tax returns of the partners; therefore, no provision for federal income taxes has been made in the accompanying financial statements. The Partnership is subject to state income taxes.

Note 2 - Transactions with Clearing Broker/Dealer

The agreement with the clearing broker/dealer provides for clearing charges at a fixed rate multiplied by the number of tickets traded by the Partnership. The agreement requires minimum charges totaling \$2,500 per month. The agreement also requires the Partnership to maintain a minimum of \$100,000 as a deposit in an account with the clearing broker/dealer.

Note 3 - Net Capital Requirements

The Partnership is subject to the SEC uniform net capital rule (Rule 15c3-1), which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2010, the Partnership had net capital and net capital requirements of \$168,288 and \$100,000, respectively. The Partnership's net capital ratio was 1.30 to 1.

BRAYMEN, LAMBERT AND NOEL SECURITIES, LTD.
Notes to Financial Statements
December 31, 2010

Note 4 - Fair Value / Marketable Securities

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.
- Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly.
- Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

In accordance with FASB ASC 820, the following table summarizes the valuation of the Company's investments by the fair value hierarchy levels as of December 31, 2010.

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Marketable Debt Securities	\$ -	\$ 184,822	\$ -	\$ 184,822

Marketable securities consist of holdings in five municipal bonds maturing in January 2011 through August 2020 and are valued using market-based observable inputs. Cost and fair value of marketable securities at December 31, 2010, are as follows:

	<u>Amortized Cost</u>	<u>Gross Unrealized Gains</u>	<u>Gross Unrealized Losses</u>	<u>Fair Value</u>
Marketable Debt Securities	\$ 184,082	\$ 740	\$ -	\$ 184,822

BRAYMEN, LAMBERT AND NOEL SECURITIES, LTD.
Notes to Financial Statements
December 31, 2010

Note 5 - Off-Balance-Sheet Risk and Concentration of Credit Risk

As discussed in Note 1, the Partnership's customers' securities transactions are introduced on a fully disclosed basis with its clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers of the Partnership and is responsible for execution, collection and payment of funds, and receipt and delivery of securities relative to customer transactions. Off-balance-sheet risk exists with respect to these transactions due to the possibility that customers may be unable to fulfill their contractual commitments wherein the clearing broker/dealer may charge any losses it incurs to the Partnership. The Partnership seeks to minimize this risk through procedures designed to monitor the credit worthiness of its customers and that customer transactions are executed properly by the clearing broker/dealer.

The Partnership's receivable from clearing broker/dealer, marketable debt securities and clearing deposit are held at or due from the Partnership's clearing broker/dealer. The Partnership has a total of \$464,728, or approximately 80%, of its assets in amounts held at or due from its clearing broker/dealer at December 31, 2010.

Note 6 - Related Party Transactions

The Partnership and the General Partner are under common control and the existence of that control creates a financial position and operating results significantly different than if the companies were autonomous.

Under a Services Agreement (Agreement) amended in December 2010, the General Partner provides the Partnership with personal property, support staff and office space and incurs general and administrative expenses for the benefit of the Partnership, with the exception of specific expenses as defined in the Agreement. Fees for such services are determined at the discretion of the General Partner. The Agreement allows the Partnership to waive any such portion of the fees in order for the Partnership to remain in compliance with the minimum net capital requirements (Note 3). Fees incurred for the year ended December 31, 2010 under this Agreement totaled \$440,187. The Agreement was not consummated on terms equivalent to arms length transactions.

BRAYMEN, LAMBERT AND NOEL SECURITIES, LTD.
Notes to Financial Statements
December 31, 2010

Note 7 - 401k Profit Sharing Plan and Trust

The Partnership adopted the BLN Securities 401(K) Plan (the Plan) effective January 1, 2003. The Partnership and eligible employees both may contribute to the Plan. The Plan is on a calendar year. All employees are eligible to participate after reaching the age of 21 and completing one-half year of service. Employee salary deferral contributions, any matching and/or nonelective contributions, and earnings on these contributions are 100% vested. The Partnership can contribute an amount of matching and/or nonelective contributions as determined by the Partnership at its discretion. The Partnership may or may not choose to make matching and/or nonelective contributions for a particular year in an amount it will determine each year. The Partnership did not make any matching contributions for the year ended December 31, 2010. The Partnership made non elective contributions totaling \$6,294 and incurred Plan expenses totaling \$1,789 for the year ended December 31, 2010, which are included in compensation and related costs in the accompanying statement of income.

Note 8 - Subsequent Events

Management has evaluated the Partnership's events and transactions that occurred subsequent to December 31, 2010, through February 15, 2011, the date which the financial statements were available to be issued.

There were no events or transactions that occurred during this period that materially impacted the amounts or disclosures in the Partnership's financial statements.

Schedule I

BRAYMEN, LAMBERT AND NOEL SECURITIES, LTD.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY
SEC RULE 17A-5(G)(1)**

To the Partners
Braymen, Lambert and Noel Securities, Ltd.

In planning and performing our audit of the financial statements of Braymen, Lambert and Noel Securities, Ltd. (the Partnership), as of and for the year ended December 31, 2010 in accordance with auditing standards generally accepted in the United States of America, we considered the Partnership's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, we do not express an opinion on the effectiveness of the Partnership's internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Partnership including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Partnership does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Partnership in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by rule 17a-13
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

The management of the Partnership is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Partnership has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Partnership's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2010, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, Inc., and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

PHILLIP V. GEORGE, PLLC

Flower Mound, Texas
February 15, 2011

**INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON
PROCEDURES RELATED TO AN ENTITY'S SIPC ASSESSMENT
RECONCILIATION**

To the Partners
Braymen, Lambert and Noel Securities, Ltd.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2010, which were agreed to by Braymen, Lambert and Noel Securities, Ltd. and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating Braymen, Lambert and Noel Securities, Ltd.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Braymen, Lambert and Noel Securities, Ltd.'s management is responsible for Braymen, Lambert and Noel Securities, Ltd.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement record entries noting no differences;
2. Compared the total revenue amounts of the audited Form X-17A-5 for the year ended December 31, 2010, with the amounts reported in Form SIPC-7 for the year ended December 31, 2010, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink, reading "Phillip V. George, PLLC". The signature is written in a cursive, flowing style.
